## PROFESSIONAL EXPERIENCE

Bloomdido Software 2012 - Present  
Developer, Quality Assurance

Worked as a Quality Assurance Technician upon first arriving at Bloomdido. The QA was remotely carried out for bLife, a startup company in Santa Monica, on multiple mobile applications designed for helping reduce personal stress levels. Currently focused on building websites and web applications with the Bloomdido team while simultaneously gaining development and IT knowledge on all platforms possible. Recent projects include development on a martial arts dojo-management system, an e-commerce site for a clothing company, and a site for a local fire/flood restoration company.

United States Navy, Nuclear Trained Submarine Electrician 2006 - 2012

Completed Recruit Training (Boot Camp) in nine weeks in Great Lakes Illinois. Received 18 months of training pertaining to my job in Charleston, South Carolina before being stationed aboard the USS Jefferson City SSN-759 Fast attack Submarine in San Diego, CA. Duties included participating in a rotating maintenance schedule, standing overnight duty onboard the sub every three days, standing watch in the Engine Room while the boat was moored in port and also while out to sea, qualifying and standing 8 different jobs relating to my field of study, cleaning everything on the sub constantly, working in extremely close quarters with dozens of co-workers for weeks and months at a time, deploying overseas to conduct missions for the Department of Defense, receiving weekly on-the-job departmental training sessions to keep my work skills sharp, conducting nuclear evolutions in the reactor compartment of the submarine while in a dry-docked phase, and conducting sea trials for 2 months after those nuclear evolutions of the coast of Alaska and Canada.

Margarita's and Chano's Mexican Restaurant 2005 - 2006  
Busboy

Responsible for the cleanup and organization of tables and facilities at two restaurants owned by the same company. Gained invaluable experience working with customers during peak dining hours and working as a team.

McDonald's 2005  
Cashier

Responsible for taking customer orders at the front counter and in the drive through window. Also responsible for keeping the facilities extremely clean while not busy with cashier duties. Gained invaluable experience with handling currency and customer service in multiple settings.

## VOLUNTEER EXPERIENCE

Soille Hebrew Day School, San Diego 2012  
Reading Volunteer

Responsible for reading multiple books to large groups of pre-school students at least bi-weekly at the end of their school day.

City Heights Farmers Market Science Booth, San Diego 2010 - 2011

Responsible for running a booth at a farmer's market in City Heights teaching science and art to children of all ages. The booth was set up and broken down every Saturday from 9:00AM to 1:00PM.

American Military Museum, Charleston, South Carolina 2006 - 2008  
Tour guide/Cashier

Took turns with fellow volunteers carrying out two tasks for the museum: conducting tours throughout the museum facilities for the general public, and collecting the museum fee at a front desk setting cash register. Owner of the museum was Citadel Alum and Army Veteran. Volunteered at the museum for 4-8 hours nearly every Saturday and Sunday during the Navy training in Charleston, balancing schoolwork and studying with devoting my time to the museum. Completed over 300 hours requirement to attain the Outstanding Volunteer Medal in the Navy in 2008 prior to completing the Nuclear Power School training.

Boy Scouts of America 1998 - 2006

Participated in a vast array of community projects and volunteer opportunities. Collected food for Food Banks, collected money for Salvation Army during the holidays, constructed birdhouses, built 40 feet of railroad track at a railroad museum, collected votes during election time at City Hall and various locations, restored hiking trails and designed new trails all throughout the Sierra Nevada Mountains, constructed four new planter boxes for a retirement facility, sang songs as a group for elderly people at retirement homes, etc.

## ACHIEVEMENTS

Eagle Scout rank - Attained in 2006

Good Conduct Medal- U.S. Navy

Outstanding Volunteer Medal- U.S. Navy  
Over 300 Hours of volunteer work carried out at the American Military Museum in Charleston, South Carolina

## EDUCATION
